

After some discussion within the LGBT community (alongside our many Allies) and with Covid - 19 preventing this years Pride, some people thought there is a need to have something to look forward to, help raise awareness and the profile of the LGBT Community and to highlight next years Arran Pride event which we are now planning.

(Please put 4th June 2022 in your calendar for The First Arran Pride!)

To help with this, Liz and the Team from the Big Coop kindly offered us the opportunity to have a stall outside the Co-op on Saturday 26th June from 11am until 4pm.

We hope to have young and old join us and say 'hello'!, help us to fundraise for next years Pride and support the Co-ops charity SAMH (Scottish Association for Mental Health) too!

We will have special guests appearing throughout the day with fun and entertainment being important alongside asking people about what kind of Pride would they like to see and take part in and about what matters most in our LGBT community?

We look forward to meeting and talking with anyone who wants more information or is able to assist organise and deliver an amazing, family event to celebrate the first ever Arran Pride on June 4th next year.
